STEAKS

Our steaks are seasoned using our special blend of herbs and spices and cooked on a grill to enhance flavour. All steaks come garnished with salad of the day or seasonal vegetables, bad boy chips & choice of sauces.

We slow cook whole rib eye roll with special herbs and smoke marinades prior to 18 hours of slow roasting.

Your steak will be hand cut from the whole roasted rib eye and finished to order.

(Because of the slow roasting process this steak comes medium and also due to its popularity this steak may not always be available when you order - available at dinner only.)
